OERHS Mission Statement

The Mission of the Oregon Electric Railway Historical Society, Inc. is to preserve the regional Heritage of electric railway transportation as a living resource for the benefit of the present and future generations.

To fulfill this mission The Society will Promote:

- The study of electric railways, their physical equipment, properties and operation, devoting special attention to the electric railways of western Oregon,
- the procurement and preservation of historic electric railway equipment, materials and property, and
- the display, interpretation and operation of surviving historic equipment, materials and properties.
